BACKGROUND: STATE LEGISLATIVE PROCESS

STEP 1: SPONSORSHIP AND DRAFTING

- The first step in drafting a bill is having a legislator agree to pursue the concept.
- The legislator will submit a request to Legislative Council.
- After a draft is made available, a proponent of the legislative concept identifies a legislator to serve as a chief sponsor and/or co-sponsor.

STEP 2: INTRODUCTION AND FIRST READING

- Legislative concept becomes a bill after the sponsor(s) drop the bill with the Secretary of the Senate or Chief Clerk of the House.
- The bill has its “first reading” in chamber of origin.
- The presiding officer assigns the bill to a committee.

STEP 3: 1ST CHAMBER COMMITTEE HEARING

- The committee reviews the bill and holds public hearings.
- Verbal testimony is provided by proponents and opponents.
- Written testimony is provided by proponents and opponents.

STEP 4: 1ST CHAMBER WORK SESSION

- The committee chairs schedule a work session.
- During the work session, amendments, if desired, are adopted, and the bill is moved out of the committee.
- Based on the fiscal and revenue analysis, a bill may be referred to the Joint Committee on Ways and Means.
- During the 2026 Session, each bill must be moved from a policy committee in its chamber of origin by February 16, 2026.

STEP 5: 1ST CHAMBER FLOOR VOTE

- Next, the bill receives a second reading on the floor of the chamber of origin.
- Typically, a bill second read will receive its third reading the following session day.
- Following a reading, the bill carrier (assigned in committee) will speak to the bill. Debate will occur on the floor of the chamber.
- A bill must receive aye votes of a majority of members to advance. A two-thirds majority is required for revenue raising measures.

STEP 6: REPEAT IN THE 2ND CHAMBER

- If the bill is passed by a majority of the first chamber, it is sent to the second chamber.
- The public hearing and work session process is repeated.
- If amendments are adopted in the second chamber, the bill requires first chamber concurrence.
- If the second chamber does *not* concur, a conference committee is appointed.
- Bills must be moved out policy committees in their second chamber by February 26, 2026.

STEP 7: ENROLLED AND SIGNED

- If the bill passes both chambers in identical form it is signed by the presiding officers and sent to the governor.
- The governor may sign the bill, allow it to become law without signature, or veto the bill or portions of the bill.
- A veto may be overridden by a two-thirds vote of both chambers.
